ISO 9001 Quality Management System, ISO 10002 Customer Satisfaction Management System, ISO 14001 Environmental Management System, ISO 45001 Occupational Health and Safety Management System, ISO 22000 Food Safety System, Safe Tourism Certificate, All Food and Service offerings use officially certified first class products. If you are allergic to any food, you must contact Guest Relations. Otherwise, the facility management does not accept any responsibility. According to the law numbered 4207, which entered into force on 19.05.2008, smoking is prohibited in closed spaces in general use.

Pets are not allowed in our facility. Check-in time is 14:00 and check-out time is 12:00. Dress code is applied in some restaurants and bars in our facility. Air conditioning operating hours in public areas are automatically adjusted by the automation system according to the outside weather conditions in order to provide maximum comfort. Guests under 18 years of age are not served alcoholic beverages and hookah, as well as tobacco products and liquor. Alcohol is not served to our guests with health risks. Preparation works carried out during the opening and closing of the season may be postponed due to weather conditions. The hotel management reserves the right to make unilateral changes in all services and hours in the Fact Sheet due to weather conditions and similar unavailable reasons. The days on which restaurants and bars will be closed may be subject to change by the hotel management depending on weather conditions and reservation requests. It is not suitable for hygiene and safety to take food, beverages and equipment from food and beverage units to outside areas. Bathroom amenities are provided daily according to the number of people. The mini bar is filled once a day. The information letter containing the general rules of the facility is presented to all guests upon arrival in return for their signature. The disco operates in accordance with the decibel (DB) limit set by the authorities. Regarding sunbeds that are occupied without being used for a long period of time, the hotel authorities may take the items from the sunbeds and make the sunbed empty. It is forbidden to fish and hunt within the swimming borders. Motorized watercraft cannot be used within the swimming limits. The hotel management reserves the right to make unilateral changes regarding the services and information in this guide. All consumables, boucle, towels, mini bar contents, cosmetic products served in the rooms are served within the scope of the all-inclusive package for in-house use. It is not appropriate to take these materials out of the facility.
